---

A modern glass pergola with a slated roof is shown over a swimming pool. The pergola has large glass panels and a dark frame. The pool is visible through the glass, and the surrounding area includes a lawn and some landscaping. The sky is blue with some clouds.

More space for  
unforgettable

# SLATED ROOF / BIOCLIMATIC PERGOLA

With our innovative slatted roofs you can transform your garden into an oasis of relaxation! Experience ultimate control over sun and shade while finding peace under the elegant design. Whether it's bright sunshine or gentle rain, you alone determine the atmosphere. Create the perfect space for social gatherings or relaxing outdoor moments.

# FOLDING ROOF

Functionality  
and elegance  
for your home!

Our folding roofs not only protect against wind, rain and UV radiation but also offer a unique outdoor feeling! They can be used flexibly and give you more time outdoors.

**Optional equipment:**

- LED point lighting or LED strips
- Glazing
- Zip screen
- Radiant heaters

Airy protection  
in a beautiful dress

# PERGOLA

Whether as a romantic meeting point or a stylish outdoor living room – our pergolas create a harmonious space in which you can enjoy nature to the fullest. Guarantees you unforgettable moments outdoors.

# ZIP SCREEN

Comfort and versatility  
in perfection

Our tailor-made sun protection solutions not only offer optimal protection from dazzling light and prying eyes, but also impress with their functionality and design. With our zip screens you get control over the room climate and privacy. Discover the future of sun protection and transform your room into a stylish oasis of comfort.

# CAR- PORT

Versatile  
and useful

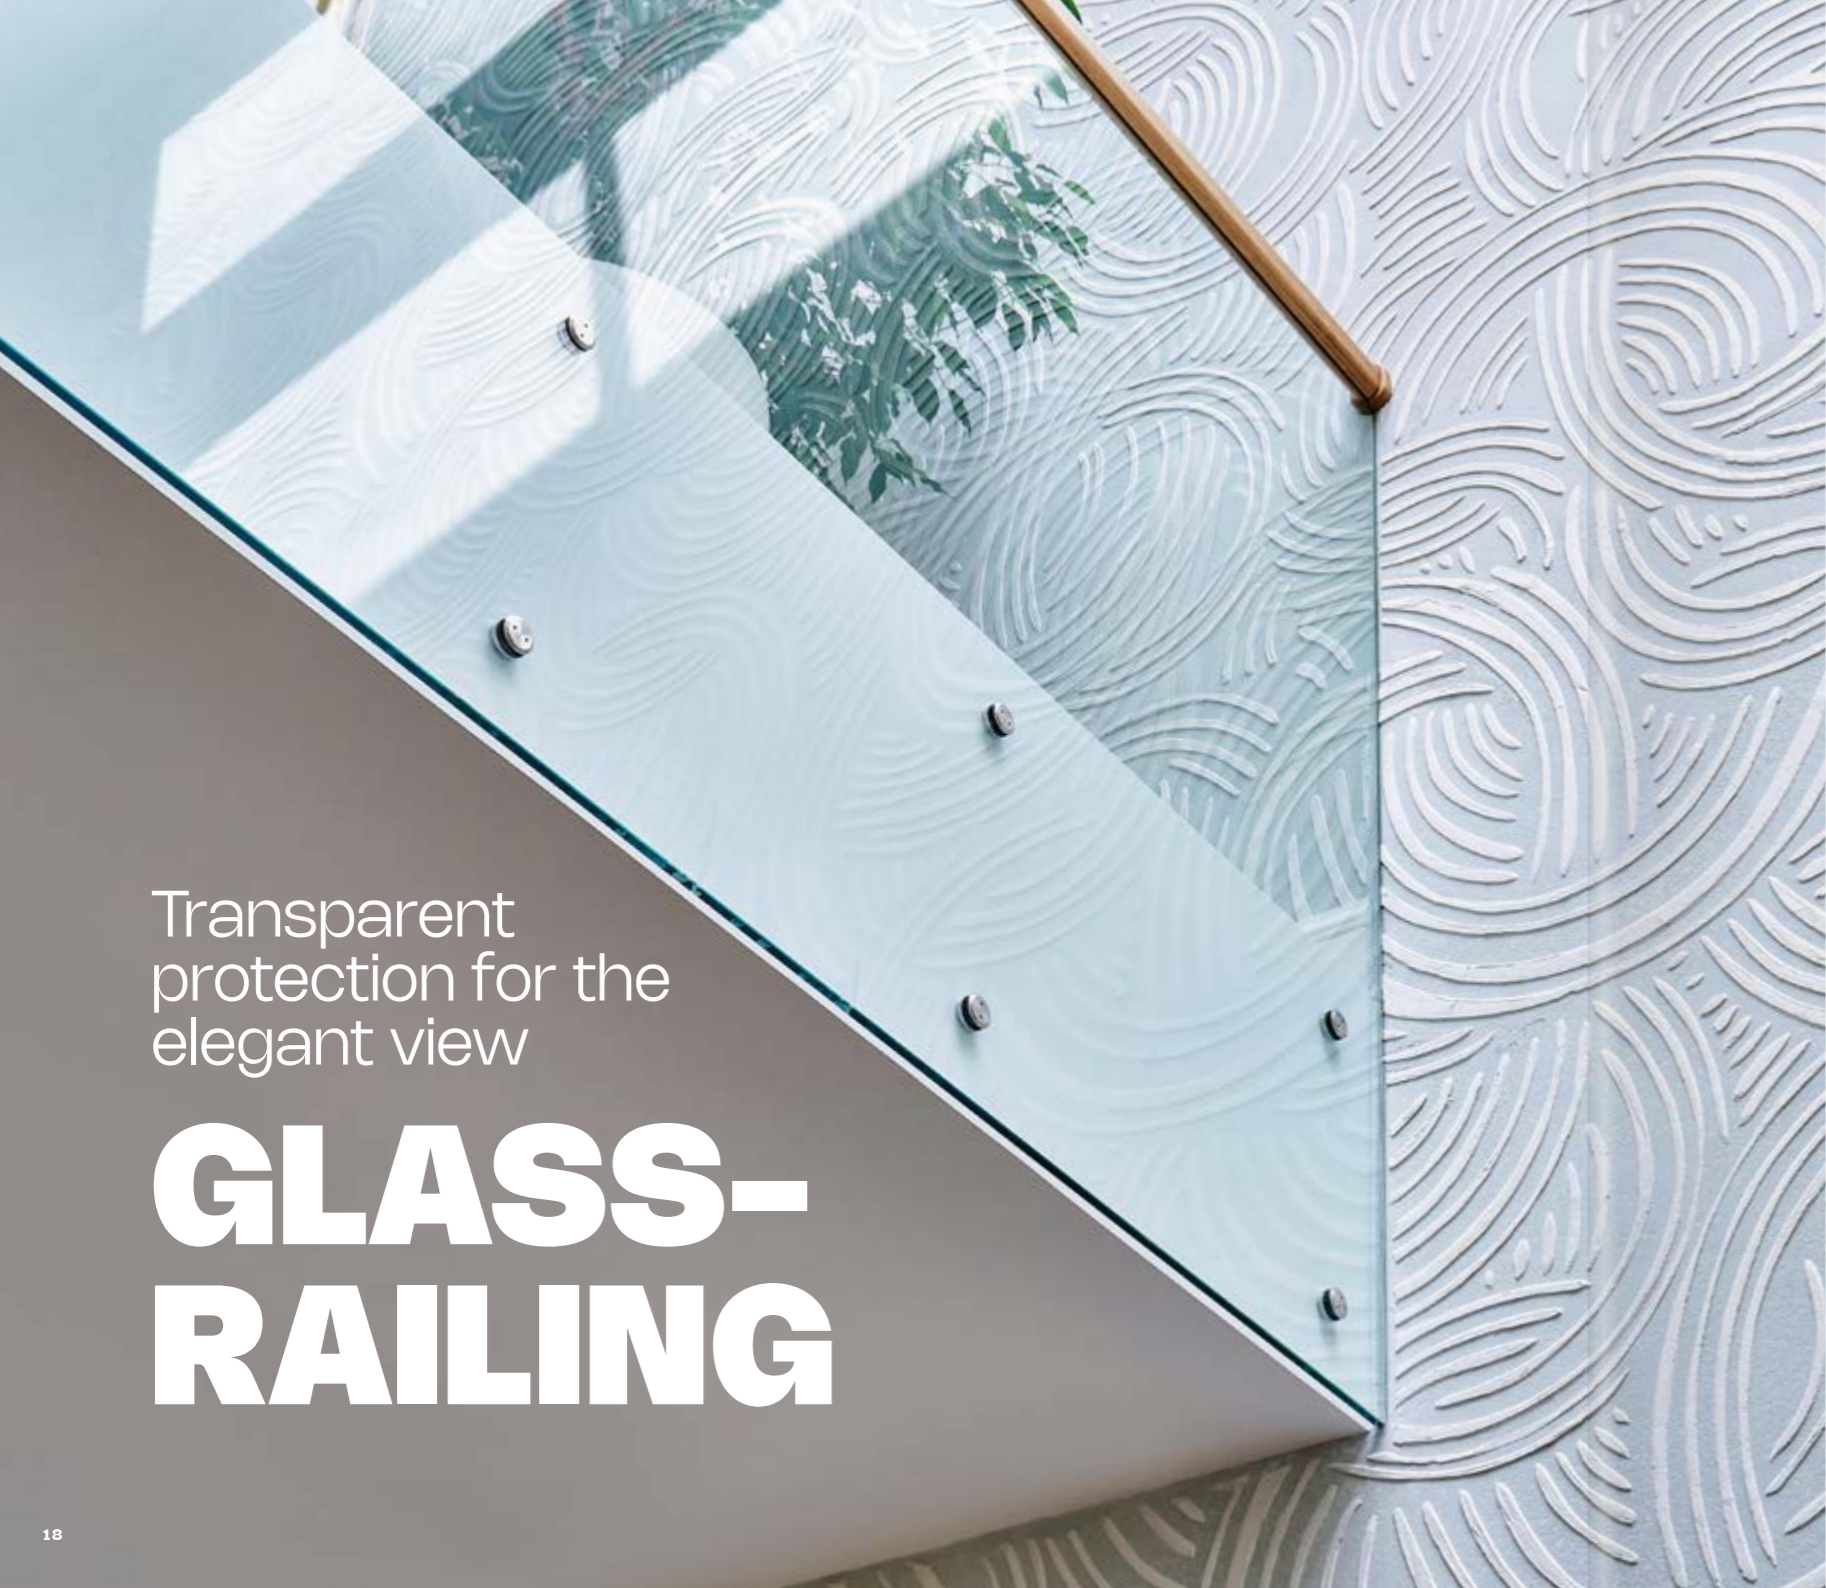

The tailor-made canopies not only offer first-class protection from sun, rain, wind and snow, but also add an elegant touch to your home.

**Optional accessories:**

- Photovoltaic roof
- Charging station
- LEDs
- Power connections

Transparent  
protection for the  
elegant view

# GLASS- RAILING

Discover the beauty and protection  
of our premium glass railings! Whether  
on the terrace or in the living room,  
they offer a clear view, create an open  
atmosphere and at the same time en-  
sure security and stability.

# BICYCLE-SERVICE-STATION

The service station was developed so that in the event of minor damage or breakdowns, repairs to the bike or similar can be carried out so that you can then continue your journey again.
